MEMORANDUM FOR THE RECORD

SUBJECT: Representative John O. Marsh's (D., Va.) Meeting
with [redacted] on his Travel in Laos

1. Representative John O. Marsh (D., Va.) visited the Agency again this afternoon and met with [redacted] of FE Division, to review the itinerary on his recent trip to Laos. The Congressman was interested in identifying on a map the sites he visited. [redacted] provided him with a map and they talked at some length about these places.

2. Mr. Marsh mentioned that he had talked privately with Chairman Mahon this morning on the floor of the House about his trip. He said Mr. Mahon called Representative Robert L. F. Sikes (D., Fla.) into the conversation and both Mahon and Sikes seemed pleased with Mr. Marsh's verbal report and felt that his trip had been very worthwhile. The Chairman has asked Mr. Marsh to write his report up for him. Mr. Marsh said he made no mention of the Agency in the course of this discussion and he plans to continue to keep a "low silhouette" as far as we are concerned.
